Dear Parents and Carers,

OFSTED Report – 5-7 March 2014

I am pleased to attach the OFSTED report for Margaret Roper Catholic Primary School subsequent to our inspection earlier in March.

This report will be live on the OFSTED website from the end of the week but it is important that parents and families receive it as soon as possible.

As you will see OFSTED graded our school as 'Good' overall. This is a very pleasing report and one which identifies the clear strengths of our school, as well as signposting the areas we need to focus on to continue school improvement into the future. You may be aware that OFSTED have revised their inspection criteria for schools a number of times since our last inspection in 2009 and the demand on schools has never been higher. We are very pleased, therefore, that OFSTED have confirmed our school self-evaluation processes and agreed that we are a good school with many strengths and that governors, staff and parents are focussed on achieving the very best for our pupils and families.

We will be reviewing the key actions that OFSTED have identified in the report and, in fact, the development areas that have been identified are ones that we were already aware of and are working on currently. This is a report to be celebrated and the success of our school is due to the exceptionally hard work of our whole school community. We would like to thank our Governing body and our staff who work extremely hard, not just during an inspection but throughout the year. We are also very proud of all our children, who commented to OFSTED on many occasions that they enjoyed school and were very proud of Margaret Roper.

If you have any comments or queries about our OFSTED report we welcome them and appreciate feedback. You can do this by emailing the office or writing directly to me at school.

For ease of communication we are sending this report to all families registered on ParentMail and sending paper copies to families who have not registered. Paper copies are available at the school office on request. The report will also be published on our school website on Thursday and available on the OFSTED website soon afterwards.

Thank you very much for your support of our school, both now and in the past. Our parents and families are the greatest strength of our school.

Sincerely

Dermot J Mooney
