

Clubs 2017-18 – Spring Term – Information for parents

Please read this closely to avoid any confusion.

- We have worked hard to devise the best offer we can for clubs this term. We review our clubs termly and therefore some clubs have changed; some are new and some may not be running this term.
- Attached is a matrix which shows which clubs are running on which days and which year groups they are available to. Please look at this carefully so you don't apply for a club that is not available to your child's year group.
- Our school does very well to provide an enriched extended curriculum for our children and staff give their time generously to make this happen. Please make sure that you recognise this by ensuring your child attends all of the sessions and if there is a valid reason for missing a club, please let the club leader know.
- When applying for a club place, please do not submit any money at that time. Once club places are confirmed, you can log into parentpay to make payment. This does not apply to:
 - Clubs run by external providers (Skillz football, multiskills, netball, Spanish, who have their own payments arrangements and booking systems
 - Clubs that do not require payment because of their flexible nature (Cross country & Choir – before school & CAFOD – lunchtime) – You do not need to book these – just show up.
- It is possible that we may have oversubscription for a club. Since we want to start the clubs next week, please assume your child has a place and send them along, provided you have sent us a booking slip. If we find that we have an unsustainable number of children for the club, we will select by lot for subsequent sessions up to the capacity of the club and operate a waiting list. You will not be charged for the first session.
- Teacher led clubs will operate on weeks commencing:
 - 8/1, 15/1, 22/1, 29/1, 5/2 (5 Weeks)
 - 19/2, 26/2, 5/3, 12/3, 19/3, 26/3 (6 Weeks)
- I'm afraid that Handicraft Club will not run this term, owing to demand on my time on Fridays. We will look at the viability of running it again in the summer.
- In order to book a club/clubs for your child, please complete and return the attached form immediately. I'm sorry but we can't accept a child at a club until you have completed the form and returned it. For clubs commencing Monday 8th January your reply needs to be turned around overnight and sent in with your child tomorrow.
