

Online phonics lessons:

To keep the children up to date with their phonics, Read write inc will be streaming speed sound lessons online daily.

They have separated the sounds into the different sets we teach in our phonics lessons. It would be a good time for the children to recap their speed sounds from what they began with at the start of the year.

These are the recommended sets but if you would like to start from set 1 in year 1 for a refresher that is completely fine ☺.

Set 1 (streamed at 9.30 and 12.30) - reception

Set 2 (streamed at 10.00 and 1.00)- reception (only started recently) and year 1

Set 3 (10.30 and 1.30) - year 1

At the moment, the lessons are streamed live on YouTube and are only available for 24 hours but the company is working on changing this.
