

**WALT: To think about how we have grown during Lent.**

**Wednesday 25<sup>th</sup> March 2020**

**Remind your child when Lent started. Get them to think about all of the things they can do now that they may not have been able to do before then e.g. neater writing, knowing one more or one less than a given number, a new sound in phonics, riding a bike etc. Once your child has an idea about how they have grown during lent they can record this in whatever way they like. For example, as a poster, a letter or postcard to a family member, a video recording focussing on speaking in a full sentence etc.**
