

WALT: To be able to read words containing the sound /ay/.

Thursday 26<sup>th</sup> March 2020

Let's go on a word hunt!

Display words containing the /ay/ sound around your house/ garden. Your child then has to go on a hunt to find all of the words. When they find the word they can attempt to read the word and then write it down practising their handwriting skills. If they want to extend themselves, they could say the word in a sentence and possibly write the word into a sentence e.g. *I like to play.*

Here are some /ay/ words that you could use for your treasure hunt:

**play**

**day**

**may**

**say**

**way**

**spray**

**hay**

**bay**

**lay**

**tray**
