

BLUE CLASS MATHS ACTIVITY – MAY 15TH, 2020

Hi Blue Class,

Today's maths activity is all about multiplication.

For the first multiplication sheet on the next page, I want you to answer all the questions with a timer.

Once you're done, check your answers to see how many you got correct and note down how long it took you to finish the first multiplication sheet.

Next, go to the next multiplication sheet to complete all the answers with a timer again, but this time try to beat your score and time from the previous page!

Happy Multiplying!

- Mrs Gifty 😊
