

Good morning/ afternoon Green Class,

I hope you had a fantastic weekend, despite the dismal weather!

This week's English tasks are going to centre around a video about a lighthouse which I think you are going to enjoy.

Please work through the following slides. You may find it is easier to print the slides off and write around them, so please print these slides off if you are able to. If not, making notes on a separate piece of paper will suffice.

As always I would love to see how you get on with this task so feel free to email your work to the usual address: green@margaretroper.croydon.sch.uk

Enjoy!
