

Good morning/ afternoon Green Class,

I hope you have been enjoying the video 'The Lighthouse' this week. Unfortunately, this is our final lesson...

Using everything you have learnt over the last few days, today you are going to be writing your newspaper article in neat.

- 1) Re-read your plan from yesterday and make sure you know exactly what you want to write. Remember, if you want to change anything, now is your chance.
- 2) Look at the template below, you may wish to print this off and write on it in pencil. Alternatively, you may wish to create your own newspaper template by hand or on the computer. It is your choice. However, I want you to imagine that this task is like the Star Writer task we would have done at school so as always please put as much effort in as you can and be CREATIVE!
- 3) I would love to read your newspaper articles once you have finished, so please send your work to me in the usual way:
green@margaretroper.croydon.sch.uk

Enjoy!
