**English: Writing** Hello Orange Class 😊 Bit of a change today for English. We will be doing writing today as we had an RE activity yesterday. For the English activity today, we are going to be doing a bit of drawing then writing about what Jack saw at the top of the beanstalk. Activity 1: Imagine you are Jack and you have just reached the top of the beanstalk. What did you see up there when you reached the top? In the box below, draw the setting that you saw at the top of the beanstalk. Things to think about: Were there any buildings? What was on the ground? What was the ground make of? What was in the sky? What was growing? Was it light or dark? Remember to use your imagination as they are all amazing!

English: Writing  Activity 2: Time to do some writing . Now you have drawn about what you saw at the top of the beanstalk, it is time to write about it. Remember we are describing what we saw so I want lots of adjectives. You can use your 5 senses to help you describe what was at the top of the beanstalk.
Use this checklist when reading back over your work to make sure it is the best thing you could have written.
I have included:
<ul> <li>Full stops and capital letters</li> <li>Finger spaces</li> <li>Used my sounds for spellings</li> </ul>
- Lots of interesting adjectives  I cannot wait to see all your amazing drawings and descriptive pieces of writing. You can email it to me at: <a href="mailto:orangeclass@margaretroper.croydon.sch.uk">orangeclass@margaretroper.croydon.sch.uk</a>
