

English: Writing

Hello Orange Class 😊. Hope you are having a good week. Today's piece of writing has a VE day theme, just like our project this week. The piece of writing will be a diary entry focusing on a street party celebration for VE day.

Activity 1: Watch this video about VE day and the celebrations <https://www.bbc.co.uk/teach/class-clips-video/history-ks2-ve-day/z7xtmfr> (finish watching at 2.22). Also, I have included some pictures of VE day celebrations to look at.

People decorated their streets with bunting and flags.

People cooked lots of food for the street parties.

People danced, played games and sung in the street.

English: Writing

Activity 2: Planning time. Think about 3 activities a child would have done during the day of VE day. Think about hearing the news of victory, the lead up to celebration and what happened during the celebration. It is up to you how you present your plan. You can write or draw to show your ideas.

When did you do the activity?	What activity did you do?	How can you describe the activity?	How did it make you feel?
