Hello Orange Class 😊. Today's writing task is going to focus on the scene in the story where the knight reaches the wild wood. You are going to create a piece of descriptive writing using the 5 senses and lots of adjectives (describing words). Imagine you are walking through the wild wood. Think about:

-What can you hear?

What can you see?

-What can you smell?

- What can you touch?

- What can you taste?

Word bank for describing senses and what to describe:

Activity 1: Planning time. Use the grid to plan what you want to include in your descriptive piece about the wild wood. It does not have to match what the knight sees in the story. Use your own imagination or what you have experienced in a wood.

What sense are you using?	What are you describing?	What adjectives are you using?
