Victory in Europe Day/VE Day took place on May 8th 1945. It was a public holiday and day of celebration to mark the end of six years of war. Everyone was very happy and celebrated by having a party.

Today we are going to design our own party invites to invite your teddies and household family members to your VE party day on Friday.

You can either use the template below or you can design and write your own party invite.

I look forward to seeing you at our Zoom meeting tomorrow!
