WALT: To be able to add more.

Warm up: Watch and join in with the clip below:

<https://www.youtube.com/watch?v=qfcbWmASibk> – Numbers Song – Jack Hartmann

Today you are going to complete the story worksheet. First see if you can work out what the missing number might be. Next see if you can tell the story e.g. first there were 6 ducks, then 2 more came along, now there are 8 ducks. Make sure you form your numbers correctly.

Finish by watching 'Mission: Addition' by Loreen Leedy – Once upon a story.

Extension: Make your own number stories and see if you can add your own addition number sentence e.g. $2 + 4 = 6$.
