WALT: To be able to take away.

Warm up: Use playdough to make 5 currant buns. Next sing the song 'One Currant Bun', taking one away each time. How many do you have left now?

Next find 10 plastic bottles/ tins/ cans to sing '10 Green Bottles'.

Finally, play 'Pass it on'. You could play this game with your soft toys as well as some family members if you wanted to. Each person/ animal starts with 6 items. Roll a dice 1-3 or use the random number generator - <http://numbergenerator.org/randomnumbergenerator/1-3> Depending on the number you rolled you will need to pass the corresponding number of cubes to the person on your left. The winner is the first person to give away all of their cubes. Encourage your child to count how many they have left as they pass on their cubes.

I hope you have fun and I look forward to seeing you tomorrow!

Extension: Make up your own taking away song using your own toys/ items in your house.
