WALT: To be able to add more.

Warm up: Watch and join in with the clip below:

<https://www.youtube.com/watch?v=DR-cfDsHCGA> – The singing Walrus – Counting 1-10.

You can either print out the number track or you could make your own one or draw one on the ground outside. If you make a small one you will also need a counter. If you make a large one you could be the counter! You decide. You will also need a dice 1-3 or you could use:

Take it in turns to roll the dice and move along the track. The first to reach 10 wins.

Finally watch 'Numberblocks – add another one':
