

Wednesday 13th May 2020

WALT: To be able to add more.

Warm up: Watch and join in with the clip below:

<https://www.youtube.com/watch?v=tLzOkpH2zyM> - Counting on by 1's – Jack Hartmann

Tumbling Towers

Today you are going to build a tower. You will need a dice 1-3 or you could use:

<https://dice.virtuworld.net/?sides=3>

Take it in turns to roll the dice and collect 1, 2, or 3 cubes/ blocks/ whatever items you have that you could use to make a tower. Count on as you add your cubes each time. For instance, if they already have three objects and they roll a 2 then they count out 2 objects then work out how many they now have e.g. 3,4,5.

How high can you build your tower before it topples? Have another go. Can you make it even higher the next time?

Finally watch 'Numberjacks – carry on counting S2E8':
