

Hello Everyone 😊 Hope you are all keeping well. This week's project theme is *Geography*. For the project, we are going to think about the United Kingdom and where we can visit and enjoy. Think about all the places you have visited and holidayed in the United Kingdom.

Imagine you are a travel agent trying to sell a visit or holiday. The task for this week, is to create a poster, brochure or TV or radio advert to encourage people to visit a place in the United Kingdom. Think about where the place is, what there is to do, what there is to eat, are there any festivals or celebrations, what shops are there and what makes the place special or different?

You have got free choice of the location. Here are some examples if you need some help: camp sites, rivers, a village, beach or a castle.

This can be a family project and we cannot wait to see where you are going to take us.

Here is a plan for your ideas before creating your poster, brochure or advert:

Name of place:

Where is the place? Can you show it on a map?	What is there to do there?	What is there to eat there?
What celebrations or festivals are here?	What shops are here? Are there any special or different ones?	What makes this place special or different?

Any other information
