

Year 5 English

Friday 15th May

WALT: Plan and write a narrative.

Your activity today is to create a comic strip to explain how Liam ended up in space, after visiting the theme park.

Try to be creative in your story structure:

- Was Liam spotted by a talent scout while he was enjoying the ride at the theme park?
- Was he kidnapped by aliens?
- Did he wander into a science lab and get mistaken for an astronaut because he is so tall?

You can decide at which point your story starts, but it must end with Liam blasting into space!

Remember to use different 'shots' or points of view to help tell the story through your pictures: 'zoom out' to establish the setting or to show action; 'zoom in' for close ups to show emotions or the detail of an event. Larger pictures can highlight important moments, and a series of small pictures can help to quickly move the story along.

Include dialogue (speech bubbles) as well as some narration above or below your pictures.

There are different comic book layouts for you to choose.

Remember to take pictures of your work and email it to your teachers:

Enjoy! ☺

P.S. The next chapter of the book is also on the school website in the usual place if you want to read on a bit further (it doesn't tell you how Liam ended up in space though!).
