

Create a 'Flowering tree' for Mary

As the month of May is the month of the Blessed Virgin Mary, decorating a flowering tree is a lovely way to think about her and honour her.

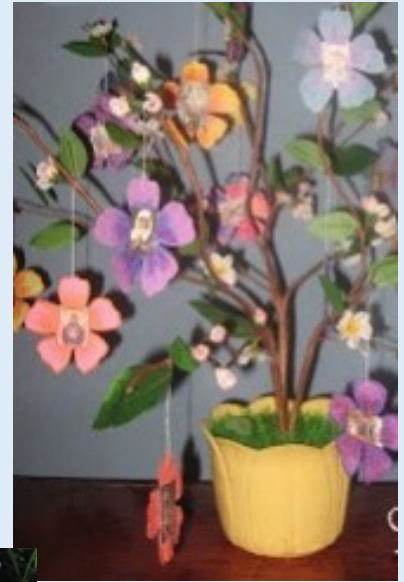

You could make a tree using sticks or small branches you find out on your daily walks, you could use a house plant, or you could make one from paper or card.

You could use real flowers, artificial flowers or flowers you make from paper, card or fabric.

You could include images of Our Lady on your tree if you like

If you can't make a tree you could paint or draw a picture of Our Lady and decorate that with flowers.

Please send us any pictures of your trees!

Listen to these hymns about Mary and make a collage of her using different materials. You could do this using an A4 piece of paper, colours, cut outs etc. Don't forget to email your lovely pieces of work to your teachers and your collage could be chosen to be printed and put on our 'keeping touch board' at school for all to see!

Bring flowers of the Rarest

During the month of May we think about Mary our Mother and all she has done for us. It would be lovely if you could dedicate a small area in your house to set up an altar or a little shrine for Mary. This can include a rosary, some flowers, a picture of Mary etc. Each day make sure you take some time to go and say a little prayer or even a decade of the rosary to reflect and say thank you. You could even play hymns during your reflection.

Use the templates on the next page to create a beautiful flower arch around Mary. Colour in, decorate the arch and then cut out the picture of Mary and stick it in the middle of the arch to
