

## BLUE CLASS ENGLISH ACTIVITY – JUNE 19<sup>TH</sup>, 2020

Hi Blue Class,

For today's English activity, we are going to listen to an instrumental beat on YouTube. As you listen to the beat, please have a pencil and a paper next to you to write down how the beat makes you feel and other things that come to mind. You can also use adjectives to help express your feelings too!

Once you're done listening to the instrumental, use the words you wrote down on paper to inspire you to write a poem of your choice.
