

Dear Green Class,

It is important for you to know what is happening around the world right now but also what has happened before (historically).

The following link is for a competition that you may wish to enter (but do not forget to talk to a grown up about this first). This is OPTIONAL and therefore separate from the work I am setting. However, if you do decide to enter then I would love to know and see what you have produced: <https://www.100greatblackbritons.co.uk/competition.html#pre-school>

Please continue to keep me updated in the usual way: green@margaretroper.croydon.sch.uk

Part One

Please watch the following video clip about Civil Rights (<https://www.youtube.com/watch?v=WKEGou1zPII>). As you are watching focus on what you are **seeing and hearing** and how this makes you FEEL. Does anything **surprise** you? You may wish to note down your ideas below.

What do the following terms mean?

Segregation: _____

Activist: _____

Boycott: _____

Once the Civil Rights Act of 1964 was introduced, what could people now do?

Part Two

Please now watch this second clip which tells us more about the life of Rosa Parks

<https://www.bbc.co.uk/teach/class-clips-video/history-ks1-ks2-rosa-parks/z7rtvk7> (Rosa Parks)

Again, use the space below to make notes (writing or drawings) if you wish.

Focus: Who was Rosa Parks? Why is she important?

Task Three

Please watch the following clip about the life of Dr. Martin Luther King Jr. https://www.youtube.com/watch?v=d_YAEXEPYPg

Focus: Who was Dr. Martin Luther King Jr.? Why is he important?

Task Four

Thinking about the focus on this week's Topic work, I would like you to select one famous person from an area you find interesting e.g. sport, film, music, politics etc. who you would like to find out more about. They do not have to be from Great Britain.

- a) Find out more by researching this person (Remember: 5Ws and not to copy and paste!)
- b) Present your findings creatively
