

WALT: To be able to identify where some animals are in the world.

This week I would like you to research where some animals are in the world. You can record this information however you like. For example, as a news report, on a map, as a fact file etc.

Here is a link showing you where rainforests are in the world:

<https://www.youtube.com/watch?v=6uUB7LjJtM> - Facts about Tropical Rainforests

I look forward to seeing your creations!
