Was the butterfly a good friend to the monkey? Why?

We are going to pretend that we are the little monkey and as a way to say thank you to the butterfly we are going to follow a recipe today to make some butterfly cakes.

You can use this recipe below if you want:

<https://www.bbcgoodfood.com/recipes/butterfly-cakes>

If you do not have the ingredients, you could make something else or you could make something using some arts and crafts or some playdough to say thank you to the butterfly.
