

Green Class Maths

6.7.20

Good morning/ afternoon Green class,

This week's Maths' task will be focusing on multiplication and division. You will need to use your knowledge in order to solve a series of problems.

All of the information you need to complete the work is on the worksheet so make sure you read it carefully. The answers to all questions are at the end of the worksheet.

Please read the following schedule carefully:

Monday **6th** July: complete 'Week 15, **Day 1** Multiplication and division facts' worksheet

Tuesday **7th** July and Wednesday **8th** July: complete 'Week 15, **Day 2** Multiplication and division facts' worksheet

Thursday **9th** July and Friday **10th** July: complete 'Week 15, **Day 3** Multiplication and division facts' worksheet

Don't forget, if you find you complete these task more quickly you may like to look at the following links:
