Hello Orange Class, I hope you are having a good week 😊. Today we will be continuing with the story, 'Barry the fish with fingers'. If you need a recap of the story, here is the link to do so:

Today's activities:

Activity 1: Barry and his friends are having a party to celebrate him saving Puffy. Create a guest list of who Barry is going to invite to his celebration. Remember to give the fish names, **for example** Sid the Stingray and Olive the Octopus. Remember for a list: new name means a new line.

Activity 2: To invite people to his party, Barry needs some invitations. Create an invitation design and fill in the details of where the party is happening, when it is happening and why Barry is celebrating. Here is a checklist and example of an invitation to help with what to include.

You can use any craft materials to create your invitation, the more imaginative the better.

My invitation checklist:

I have included...

- Why the celebration is happening.
- Where the party is happening.
- When the party is happening.
- What time the party is happening.
- Who the invitation is from.
- Lots of colour.
