Hello Orange Class, I hope you are having a good week 😊. Today we are continuing with our story 'What the ladybird heard at the seaside'. If you need a recap of the story, here is the link: <https://www.youtube.com/watch?v=PvguZ1YvKLw>.

**Today's activity:** The ladybird has asked for your help to catch the thieves Lanky Len and Hefty Hugh and stop them stealing the mermaid's hair. You will need to come up with a plan to stop them before they commit their crime. How are you going to lead the thieves to your trap? What trap are you going to set to catch the thieves. Remember you are at the beach so maybe you could use the sea creatures and the environment to help you trick and catch them. Use your imagination, anything is possible when writing 😊. Remember to use your time connectives at the start of your sentences to show the order of your plan.

You are going to record your plan in pictures and write a sentence or two underneath to explain each step of the plan to catch Lanky Len and Hefty Hugh.
