

English: Writing

Hello Orange Class, I hope you are having a good week 😊. This week, we are going to be looking at a new book called 'Barry the fish with fingers' by Sue Hendra.

Activity 1: Listen to the story of Barry the fish with fingers or if you have the book then you can read it instead 😊. <https://www.youtube.com/watch?v=qHj9Hfc9IDU>. Whilst you are listening to the story, think about what Barry is good throughout the story.

Activity 2: Barry the fish with fingers has many skills that he shares in the story. Make a list of all the amazing things he can do. Once you have finished the list of Barry's skill, create a list of all the amazing skills you have, **for example** a sport you are good at, drawing or baking.

When you have finished your lists, write 4 sentences comparing Barry's and your skills. **For example,** Barry is good at tickling with his fingers but I have an amazing skill in drawing and can draw flowers well.

The list of Barry and I's amazing skills

<u>Barry's amazing skills</u>	<u>My amazing skills</u>
