Friday 3rd July 2020

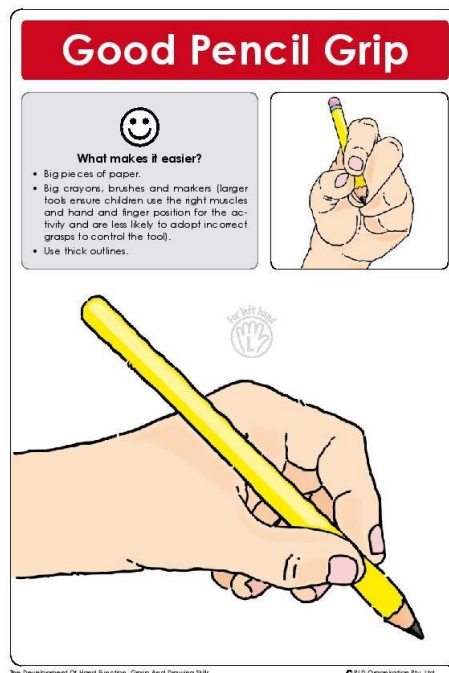

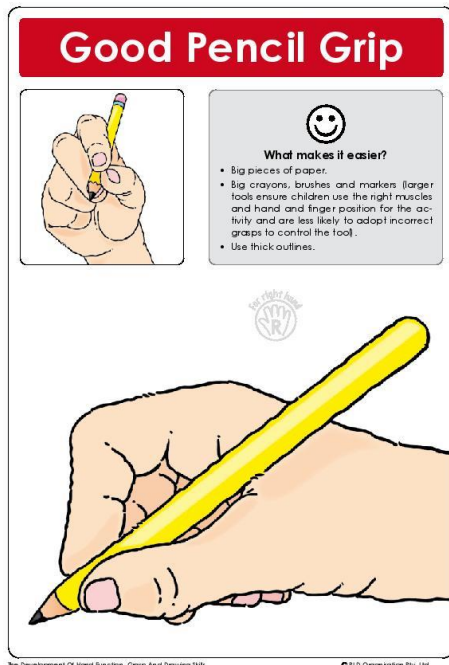

Children to first of all warm up their fingers either by:

- Disco dough gym – play with playdough as you sing along to your favourite song.
- Lego.
- Cutting up paper to make into a picture later.
- Threading beads/ pasta etc onto string.
- Roll blu tak between their fingers and thumbs.
- Help to peg the washing on the line etc.

Once your hands are nice and warm let us practise sky writing (writing the letter in the air) by following the way 'j' is formed on the following clip:

<https://www.youtube.com/watch?v=W8vQ40kuW1g> - The letter j - Learn to write the alphabet with Letter School

Next write it on your grown ups' back, using just your finger. Then write it on your hand, using just your finger. Lastly pick up your pencil, checking that you are holding it correctly, then write 'j' either using playground chalk outside, in the steam on a shower screen while having a bath or on paper etc. Have fun super writers!
