Monday 13th July

Warm up, Watch: <https://www.youtube.com/watch?v=nP2wvsech58> - Me And The Measure Of Things - Read Aloud

Today we are going to learn about weight and you are going to be a human balance scale. Place an item in each hand and decide if it is heavy or light. If one hand feels like a stronger downward pull, then it is heavier than the other hand. Enjoy exploring lots of your toys and items in your house.
