

WALT: To know that everyone shares in God's world.

Wednesday 15th July

Warm up: <https://www.youtube.com/watch?v=teu7BCZTgDs> - Creation (Genesis 1-2)

Explain that God created the world and God said "indeed it is very good!" Next see if you can answer these questions:

1. **What is good?**
2. **Why do you think God said this?**
3. **Why do you think the world is very good?**
4. **What could we do to make it even better?**

Next explain how "Everyone shares God's world". Then think about these key questions:

1. **Can you tell me what this means?**
2. **What could we do to help each other share God's world?**

Watch <https://www.youtube.com/watch?v=-Wf6TH6gwIY> - Take Care of The World God Gave Us

1. **What does Douglas learn?**
2. **How did Rosco make him feel?**
3. **How could we be more like Douglas' Mum rather than Rosco?** - You could draw a picture or write a list to remind people how they can behave in God's world.

Next you could either paint wonderful things in God's world or collage using natural materials (either inside or outside, small or large scale).

I look forward to seeing your lovely creations so do not forget to email them to me!
