

Red Class Newsletter

week 26

Dear Parents and Carers,

Red class have had another successful week packed with learning. We have been reading the 'Colour Monster' and talking about our feelings and made our own personalised colour monsters that show our own feelings. We have represented our own feelings through art and writing .

We have also been using money to buy and sell things in Roper's Supermarket. The children have been using vocabulary relating to money and practised counting skills, written shopping lists and engaged in roleplay. The children have also been enjoying outdoor learning and have been particularly interested in building and have spent time making cement, building dinosaur swamps and exploring sand and water. This type of play shows the children busy at their own 'work' and we encourage this creative, reflective and open-ended learning . Well done to all the children!

Next week our focus will be on Holy week, and we will be enjoying learning through fun packed Easter themed activities. We will be sequencing the Easter Story, decorating Eggs and making **Easter bonnets**. We will be continuing to learn about Money through roleplay experience and practicing one more and one less than a given number leading up to learning simple addition .

Reminder: Books will be changed on Tuesdays and Fridays.

We are looking forward to another super week of learning!

If you have any comments or questions please send an email to red@margaretroper.croydon.sch.uk and we will be in touch.

Thank you for your continued support,

Miss May and Mrs Brotherton
