

# Red Class Newsletter

Dear Parents and Carers,

We were absolutely delighted to welcome our lovely class back to school on Monday. Our learning experiences have been based on team and partner work to help children engage with each other and their learning. We have kept them very busy! We have built homes for big and small cuddly toys, made nature art, competed against the clock in our Maths activities, and spent time outside in our garden.

Next week in our Literacy lessons we will visit 'Roper's Shop' having written shopping lists and creating our own labels for the food it sells. We will be beginning to think about sequencing instructions.

Our Maths learning will be based on consolidating what we know about halving and doubling, and we will be learning how to collect and record our own data.

In R.E, we are looking forward to Easter through our topic of Growing.

Reminder: Books will be changed on Tuesdays and Wednesdays.

***We would like to wish all the mums, carers and loved ones who are special to the children, a very happy and loving Mother's Day. We hope you get a chance to relax!***

We are looking forward to another super week of learning!

*If you have any comments or questions please send an email to [red@margaretroper.croydon.sch.uk](mailto:red@margaretroper.croydon.sch.uk) and we will be in touch.*

Thank you for your continued support,

Miss May and Mrs Brotherton
