Dear Parents and Carers,

It is so delightful to see all the children back in school today! Thank you for all you have done to support them during the long lockdown; the children certainly seem pleased to be back with us and greeting their friends and teachers, but I imagine they may be quite tired tonight!

I attach with this letter a letter from our Chair of Governors, Mr Munn. Our governors are an essential part of our school leadership and have been very active in lockdown ensuring that the school is operating according to guidance and supporting the headship team.

Our risk assessment for operation commencing today has been revised significantly and is available to review on the school website in the COVID-19 Section. It is a fairly thick document, so be aware before you print it, but it ensures that we are following the best possible procedures to keep everybody safe and school open. Please send me any comments you have on it as it is a co-operative document.

Also attached is a flowchart for parents received today from Croydon Local Authority. Please review it and keep it handy; it spells out what to do if you have a suspected case at home.

I look forward to seeing you all in person in the near future.

Sincerely

D Mooney
Headteacher
