8<sup>th</sup> March 2021

Dear Parents and Carers,

On behalf of the Governors, I would like to welcome everybody back to school. Several Governors have been home schooling their children, both secondary and primary, so we all appreciate the great effort you have made. We are promised that this will be a permanent return to full time education. Let us hope that this is the first step on our path back to normality.

I would like to reassure you that all measures that were in place last year to protect us from this Pandemic will continue ie: Year bubbles, ventilation, hand-washing and staggered drop off and pick up times. The Governors with the Head Teacher will continue to monitor the situation.

You will have received a copy of the SRE (Sex and Relationships Education) policy for consultation with parents. This is typical of the many policies that Governors work on as part of strategic planning. Just a reminder that your comments or any questions you would like to raise should be with us by the 12<sup>th</sup> of March.

I am pleased to announce that we have two new Foundation Governors joining us this term. Joan Keenan-O'Malley and Michelle Stevens, a past parent at our school. Their support will be much appreciated on the Governing Body.

Kind regards,

Bernard Munn.

Chair of Governors.
