Dear Parents and Carers,

### Parent Surveys

Thank you to everyone who completed the recent survey related to distanced learning and consultations. We have received 58 responses. If you want to complete this survey the link is:

<https://forms.gle/EnSydd2aKhP4gzug8> This survey will close on Monday, as we wish to analyse the results.

Another important survey we have sent out is related to the 'Key Decisions' that follow our Parents meeting for Relationships and Sex Education, which we held on Wednesday evening. I was very gratified to see so many parents attending – it is an important area of the curriculum where we need to consult with you closely. We sent out a variety of paperwork yesterday and we don't wish to bombard you but the survey we launched related to the Key Decisions is important. Please log in and complete the survey here:

We have allocated 7 days for this survey to be completed so please ensure you have done this by next Wednesday evening.

### Marian Liturgies

May is the month of Mary and we have been holding class liturgies this week in the Fr Salmon Garden and honouring Mary, our Mother. We have prayed a litany and asked Mary in heaven to pray for us and our families. We've also been talking with the children in assembly about praying the Rosary in May and we will continue this right through the month. Perhaps you could pray the Rosary with your children at home; it doesn't need to be the whole Rosary, you could pray just a decade reflecting on one of the mysteries. For more help on how and why to pray the Rosary, you might want to look at:

[Children's Rosary \(childrensrosary.org\)](http://childrensrosary.org)

Please feel free to visit our Fr Salmon Garden at pick up time, socially distanced. You might even say a little prayer for your own intentions of for us.

### Skillz Football

For children who are participating in one of the Skillz football club sessions after school, please be advised that pupils should come into school in their school tracksuit and PE kit on that day, just as they do for other days when they have a PE session.
