Important notes:

- (1) Children who attend breakfast or after school club can still join one of these school clubs.
- (2) Football trials for Y5 & 6 pupils will take place next Thursday after school (letter to follow) This will decide the squad of A and B team. Training for this squad will subsequently run on Thursdays after school.
- (3) We are working hard to set up girls' football training sessions for the school girls' football team. The exact details for this are still to be finalised, but will be open to girls in Yrs 4, 5 & 6. Watch this space!
- (4) Netball will be coached and run by Mrs Piper and Mrs McCabe. Trials will take place very shortly, and Y5 & 6 girls selected for the squad will train on Tuesdays after school. A letter regarding this will be issued shortly.
- (5) Reception Class do not currently have a club offer; we feel that this term it is important that they settle into school routines. The Spring offer will include Reception Class.
- (6) Parents should be aware that school staff are not paid for their organization and management of clubs; our intention is to offer further enrichment outside the curriculum day to as many children as possible and teachers volunteer to be part of this. Clubs that have a subscription charge do so in order to support the club with resources and consumables. This helps the school to ensure our variety and offer is not so dependent on school budget.
- (7) Children attending clubs will transfer supervised by their class teachers. Infant children will be escorted to clubs and Junior children will move from their class dismissal line to their relevant club, supervised by their teacher.

Booking a club

From this term we are trying a different way of booking clubs. All clubs will be booked through ParentPay. In order to book a club, you will need to log into ParentPay and book an item. Your child's account should show the clubs that they are eligible to join.

We are afraid that we cannot accept booking above the maximum number for that club. These numbers ensure that the club is manageable and fun for everyone. Once the club booking list is full, ParentPay will not accept any further bookings. If an item is full and you'd like to go on a waiting list, please email business@margaretroper.croydon.sch.uk, stating your child's name, class and the club you'd like and we will create a waiting list. This list can be factored into the planning for the Spring Term.

Please do not send paper bookings or any money through the school office.

Clubs that do not require payment still need booking through ParentPay. Club leaders will then receive a list of the pupils attending their club. Externally provided clubs (Skillz & Spanish) have their own payment and booking arrangements.

Clubs will run on weeks commencing: 13, 20, 27 Sep, 4, 11 & 18 Oct [Half Term-25 Oct] 1, 8, 15, 22, 29 Nov & 6 Dec
