Sports News:

On Wednesday the girls' football team played against Heaves Farm in a cup match. We lost 2-1. Margaret Roper scored first, with a goal by Gabrielle from a corner and it hit one of their players and went in. The game was very competitive and their best player was a girl called Lucy who basically did everything in their team. At the very end of normal time Heavers scored to tie the game 1-1. We played added time of 10

minutes and Heavers scored again to finish the game 2-1 to them. We were disappointed to lose, but our team played well and very collaboratively. At this stage in the cup we facing good sides, so it was always going to be tough. This is the first game we've lost and we will keep going and come back even stronger. Report by Leila, Y5.

Catholic Schools football & netball tournament – Saturday 14th May

Further to my item last week; we are looking forward to hosting this tournament. I haven't managed to check with the Friends of Margaret Roper to see if we have had volunteers to assist with the catering and hospitality, but please make yourselves known if you can help at any time in the morning; even if just for an hour. Please contact your class rep, or let us know in school.
