A Day in the Life of Saint Rose Class: Spring 2 Week 2

13.3.26

Thank you so much for your Art donations, we have begun using those to make a self-portrait using collage materials.

In DT we have used our fine motor skills to sew using plastic needles. It took a lot of concentration and effort but we achieved it!

We were very lucky to have our Year 6 Faith leaders visit us this week and read some stories from the Bible to us. We then acted some of the stories out.

Lots of children have been very enthused to write their own prayers this week. It has been lovely to see them either recall familiar prayers or create their own.

We have made a start on Science week by looking closely at the various photographs of the animals and matching them to their other half.

Phonics: Some group are continuing to focus on re-capping previously taught sounds so that they become more secure and confident in recognising and using them to spell and read words. If you want to recap any previously taught sounds then please look back at past 'Reception Weekly Letters' as the links should still be active. Some groups are continuing to work on oral blending so please practice these Fred games at home. **I have also included word blending for those children that are ready to read words.** I have created a new link but please let me know when the link no longer works so I can issue another one, many thanks.

Handwriting: As the children have made good progress with their fine motor skills, they are now ready to have separate handwriting lessons to our phonics lessons. Please support your child at home by consolidating the handwriting that they completed in class this week:

Please can you make sure that book bags are not being used to carry water bottles as if they leak our books get ruined and we will need to bill you for a new book. Thank you for your help in this as we want our books to stay in the best quality as possible for the use of many future children.

Thank you for your continued support, it really is making a huge difference.

Kind regards,

Mrs Chandler and Mrs Webb
